Disclaimer for users of the website

1. Limitation of liability

The contents of this website were created with the utmost care. However, the Gemeinnützige Umwelthaus GmbH (hereinafter referred to as the "**provider**") does not guarantee that the contents provided are correct, complete or up-to-date. Use of the content of the website is at the user's own risk. Contributions bearing names present the opinions of the respective authors and not always the opinion of the provider. The mere use of the provider's website does not constitute any form of contractual relationship between the user and the provider.

2. External links

This website contains links to websites of third parties ("external links"). These external websites are the responsibility of their respective operators. When the external links were initially created, the provider checked the third party content for any infringements of the law. At that time, no infringements of the law were apparent. The provider has no influence on the current or future content or design or on the contents of the linked websites. The creation of external links does not mean that the provider adopts the content behind the reference or link as its own. It is not reasonable to expect the provider to constantly monitor the external links in the absence concrete indications of infringements of the law. However, if the provider becomes aware of infringements of the law, it will delete any such links without delay.

3. Copyright and ancillary copyright

The content published on this website is subject to German copyright and ancillary copyright law. Any use that is not permitted under German copyright and ancillary copyright law requires the prior written consent of the provider or of the respective rights holder. This applies in particular to the duplication, editing, translation, storage, processing and/or reproduction of content in databases or other electronic media and systems. Unauthorised duplication or forwarding of individual content or entire pages is not permitted and is punishable. Only the creation of copies and downloads for personal, private and non-commercial use is permitted. The presentation of this website in external frames is permitted only with written permission. Wherever the contents on this website were not created by the provider, the copyrights of third parties are respected. In particular, contents and rights of third parties are marked as such. If the user nevertheless becomes aware of infringements of copyright, the provider requests the user to inform it. If the provider becomes aware of any infringements of the law, it will remove such content immediately.
